走向世界的臺灣品牌賽事

2024 年體育界迎新氣象，巴黎奧運萬眾矚目展開，掀動全民體育熱。在臺灣，國際自由車環臺賽、臺北羽球公開賽等經典賽事如期登場，也有高雄霹靂舞國際大賽等新星嶄露頭角，盡展臺灣多元品牌魅力。體育署精選 12 場年度賽事，作為臺灣向世界遞出的名片；期望口碑累積，提升臺灣能見度與形象，建立 IP 價值激發經濟潛能，並增進人民認同感與向心力。

體育是連通世界的契機，品牌是行銷臺灣的利器。臺灣品牌國際賽研習營為推動臺灣賽事品牌化而生，歷年來透過論壇、線上課程等活動，精進辦賽單位知能。為引進國際資源，攜手國際賽會活動主辦單位協會（IAEH）、日本運動觀光聯盟（JSTA）、APEC 運動政策網絡（ASPN）和國際少年運動會（ICG）委員會等單位；芬蘭、加拿大、挪威等多國城市代表，以及東京馬拉松、環蘭卡威等知名賽事單位來臺，響應研習營主軸，提供賽事結合城市發展品牌的寶貴見解。臺灣國際衝浪公開賽、花蓮太平洋國際龍舟節等具地方標誌性的本土賽事也經由案例分享，讓國際看見臺灣。

國際交流足跡持續拓展。今年我們從英國伯明翰 SportAccord 年會，到瑞士洛桑 Smartcities & Sport 峰會，與全球體壇代表齊聚一堂，交流共促合作新機；另也邀請外賓藉國際論壇順道參訪新北萬金石馬拉松等賽事，及 2025 雙北世壯運比賽場館，展示臺灣堅實的體育地基。

奧運期間對國手的堅定支持，選手榮譽奪牌的精采瞬間，都讓世界見證臺灣因賽事凝聚的共鳴與韌性。2025 雙北世壯運蓄勢待發，也勢必再掀高潮。挾臺灣豐沛的運動能量，我們目標新秀賽事品牌化，既有品牌再進化，讓臺灣在國際躍動不停歇。期待臺灣賽事蛻變升格，整裝迎接全球競逐的品牌賽時代。

Taiwan Stepping onto the International Sports Events Arena

In 2024, the global sports scene gained a new atmosphere with the Paris Olympics igniting a nationwide passion for sports. In Taiwan, iconic events such as the Tour de Taiwan and the Taipei Open, along with emerging competitions like the Kaohsiung Breaking International Championships, showcased Taiwan's diverse sports brand appeal. The Sports Administration has chosen 12 Featured Sports Events as Taiwan's global signature, aiming to elevate the nation's international profile, establish IP value and unlock economic potential, and strengthen national identity and unity.

Sports serve as a gateway to global connection, while brands serve as powerful tools to market Taiwan. The Sports Event Taiwan Workshop was established to enhance event branding through forums and online courses. Collaborating with global organizations like IAEH (International Association of Event Hosts), JSTA (Japan Sport Tourism Alliance), ASPN (APEC Sports Policy Network), and ICG (International Children's Games), the workshop drew insights from international cities in Finland, Canada, and Norway, as well as events like the Tokyo Marathon and Tour de Langkawi. Iconic local events, such as the Taiwan Open of Surfing also highlighted Taiwan through exchange.

Our international exchanges continue. This year, from the SportAccord World Sport & Business Summit in Birmingham, UK, to the Smartcities & Sport Summit in Lausanne, Switzerland, we engaged with global sports representatives to explore new cooperation opportunities; we also invited foreign guests to visit sports events such as the New Taipei WJS Marathon and WMG2025 (World Masters Games 2025) venues, demonstrating Taiwan's solid sports foundation.

During the Olympics, our strong support for Taiwan's athletes and their remarkable medal-winning moments spotlighted the island's resilience and sportsmanship to the world. With the WMG2025 on the horizon, excitement is building for more sporting peaks. We aim to brand new events and improve existing ones, ensuring Taiwan's vibrant presence on the international stage. We look forward to elevating of Taiwan's sports events, preparing for the future of global sports brand competition.

系列國際論壇－焦點回顧

Series of International Forums: Highlights Recap

國與城市概念先行 向下植入賽事品牌策略

國家及城市的特質與形象，深刻影響賽事迎向世界的面貌。斯塔萬格旅遊與會展局總監 Anette Larsen Bognø 以挪威國際賽事為例，行銷上常借用北極光照耀、壯麗峽灣、維京遺產等元素，或凸顯世界最幸福國度的美譽，渲染出人們對賽事乃至挪威的嚮往。

國家及城市的政策也主導著賽事規劃。挪威對永續、性平的重視，從法規延伸進賽事設計，因此賽事最終能展現在地文化理念與價值主張，成為足以代表當地精神的象徵；斯塔萬格更戰略性視體育賽事為城市發展工具，例如將一項 90 公里自行車賽轉為全球規模最大的心臟功能研究場域，刺激協同效益，也彰顯城市實力。

賽事領航 驅動城市發展 包裝城市印象

賽事也能反向為城市領航。東京馬拉松賽事總監 Tad Hayano 提出「融合跑步」概念，讓單調的競跑與旅行、時尚等受人喜愛的元素組裝登場，激發人氣釋放無限商機，同時開闢城市展露特色的舞臺。東京馬拉松舉世聞名的品牌地位與區域代表性，也為賽事與都政府的合作注入強勁動能。雙方共享資源，賽事擔當起城市推廣的重要媒介，化身城市建設的一環，藉此打造運動風氣盛行的生活環境。

對外，賽事能豐富城市形象。世界衝浪聯盟資深經理 Will Hayden-Smith 提到，衝浪賽事特質強烈，隨天氣、

浪況充滿變動與挑戰，誘發躍躍欲試的衝勁。在視覺設計上，常以本地元素為基底，並將這份動感與振奮灌注其中，讓城市展現浪花般清爽活力，一併普及賽事與城市的熱情印象。國際選手齊聚，也塑造出友好開放的氛圍，彷彿歡迎各地遊客探索而來。

National and City Concepts Driving Event Branding Strategy

Country and city characteristics shape events, with policies guiding planning. Region Stavanger Visitors & Convention Bureau Director Anette Larsen Bognø discussed how Norway's events leverage elements like fjords, Viking heritage, and its reputation as one of the happiest countries to attract interest. Norway also integrates sustainability and gender equality into event design. As for Stavanger, it strategically views sports events as tools for city development, such as turning a 90km cycling race into the world's largest heart research field, amplifying the synergistic impact.

Event Leadership: Powering City Evolution and Enriching its Image

Sports events can, in turn, serve as catalysts for city development. Tokyo Marathon Race Director Tad Hayano introduced "Fusion Running," combining running with popular elements like travel and fashion. This approach not only sparked enthusiasm and unlocked business opportunities but also created a platform for showcasing the city's character. Tokyo Marathon's global prestige and regional significance have made it a key influence for city promotion and an impetus for a vibrant city sports culture.

Sports events enrich a city's identity as well. World Surf League Senior Manager Will Hayden-Smith illustrated how surfing competitions embody a dynamic nature shaped by weather and wave conditions, igniting an irresistible urge for adventure. Their visual design thoughtfully weaves local elements with this lively energy, giving cities a wave-like vitality. This approach spreads the passionate image of both event and city, creating a welcoming atmosphere that beckons explorers from around the world.

| 因地制宜 活化城市獨有資產 成就賽事精髓亮點

賽事與在地密切連結，相得益彰。深化連結的關鍵在於將地方特質融入賽事。國際少年運動會（ICG）委員會委員 Lance Macdonald 分享，基隆納憑藉宜人氣候與富饒自然資源，催生蓬勃的戶外文化；除了有歐肯納根湖泳渡名列加拿大最大型公開水域比賽，也成為 2011 冬季少年運動會進駐之地。荷蘭阿爾克馬爾體育公司運動顧問／經理 Paul Bollen 表示，阿爾克馬爾以濱海優勢為水上賽事提供理想場域，並有沿海馬拉松增添競賽的觀光色彩；頗負盛名的乳酪市場更常被納入周邊活動，引進更多人潮。

| 不只是賽事 宛如慶典與城市共舞

從城市角度來辦理契合城市的賽事，而賽事也不只是賽事。國際賽會活動主辦單位協會（IAEH）會長 Perttu Pesä，分享在芬蘭坦佩雷舉行的 2023 歐洲壯年運動會。賽會被定調為節慶，致力營造同樂氛圍，積極推廣文化體驗、旅遊行程。參與者能在比賽裡自我實現，也能在遊玩中獲得愉悅。最終不但創造近 700 萬歐元收益，更樹立良好多元的觀光形象，6 成以上遊客表達重遊意願。對即將於 2025 年上陣的雙北市世界壯年運動會而言，這也成了最即時的成功借鏡。

| Tailored Strategies to Leverage Unique City Assets for Achieving the Essence of Events

Events and local connections complement each other, with the key to deepening ties lying in the integration of local characteristics. ICG (International Children's Games) committee member Lance Macdonald shared how Kelowna's rich natural resources and outdoor culture led to the Okanagan Lake Swim, one of Canada's largest open-water races, and ultimately secured the city's hosting of the International Children's Winter Games 2011. Alkmaar Sport Manager Paul Bollen from the Netherlands noted the city's coastal advantages have allowed it to develop tourist-friendly events, from water sports to coastal marathons. The famous local cheese market is also frequently incorporated as surrounding events.

| More Than Just Events: Celebrations that Glow with City

Events should be more than just competitions. IAEH (International Association of Event Hosts) President Perttu Pesä shared how the European Masters Games 2023 in Tampere, Finland, was framed as a celebration that integrated cultural experiences and tourism. Participants not only achieved personal fulfillment but also enjoyed leisure activities. The event generated nearly € 7 million and established a strong tourism image, with over 60% of visitors interested in returning. This serves as a valuable model for the World Masters Games 2025 in Taiwan.

「讓大家講到賽事就想到城市，講到城市就想到賽事。」臺灣品牌國際賽研習營歷年論壇與課程精華影片均上傳至「中小企業網路大學校－運動創新學程」，歡迎民衆上網瀏覽。

嘉農驕傲傳承
Inheriting the pride of the Kano

諸羅山盃國際軟式少年棒球邀請賽 Jhu-luo Shan International Junior Baseball Tournament

嘉農是臺灣棒球史上璀璨一頁，諸羅山盃於嘉義再起，別具歷史意義。「諸羅」承襲荷蘭時期古名，為賽事深植地方血脈，形成名副其實的城市品牌，更鞏固嘉義作為國內少棒重地。賽事所用球場與嘉義當地學校合作借用，嘉義市立棒球場附近更有 KANO 園區，為賽事增添觀光與歷史亮點。

Kano once made history in Taiwanese baseball, lending unique significance to the revival of the Jhu-luo Shan Tournament in Chiayi. By adopting the Dutch colonial-era name "Jhu-luo," the tournament roots itself in local heritage, crafting an authentic city brand that reinforces Chiayi's status as a youth baseball powerhouse. Utilizing local school baseball fields and the nearby KANO Memorial Park adds historical significance and tourism appeal to the tournament.

12 精選賽事總結評析與未來展望 Taiwan 12 Featured Sports Events: Review and Outlook

體育署年度精選賽事是臺灣賽事的標竿，規模與影響力遠超一般賽事，是將臺灣推向世界的重要媒介。不僅提升臺灣在國際體壇的能見度與地位，同步帶來可觀經濟收益。

體育署 2019 年研擬 4 項指標——「行銷力」、「收視力」、「參與力」及「經濟力」，協助臺灣賽事單位自我評估，提升品牌管理能力，增強市場競爭力，並促進賽事長遠發展。作為臺灣品牌，期望體現「行銷臺灣」、「經濟效益」兩大價值，具體作為包括：冠名臺灣或城市；彰顯地方特色，讓參賽者及觀光客有深入了解臺灣的機會；具永續能量，累積影響力帶動地方產業與文化發展。

The Sports Administration's annual Featured Sports Events serve as Taiwan's sporting benchmarks, with impact far exceeding regular events. These key platforms enhance Taiwan's global sports presence while generating significant economic benefits.

In 2019, the Sports Administration established 4 Strategies — Marketing, Broadcasting, Participation, and Economy — to help event organizers improve brand management and competitiveness. As Taiwan brands, these events aim to promote Taiwan and create economic value by: branding with Taiwan or city's names, showcasing local culture to participants and tourists, and fostering sustainable development of local industries and culture.

展望未來，臺灣國際賽事在行銷上，可考慮與國際知名體育明星或網路社群 KOL 共同亮相，擴大數位行銷觸角，吸引更多年輕觀眾；融入更多地方文化，打造獨特觀光體驗；呼應世界減碳潮流，將永續概念納入賽事核心規劃，提升賽事環保形象。

另一方面，建議強化跨部會合作：與觀光署設計結合賽事的觀光套裝行程；透過教育部推動校園體育教育；聯手環境部執行賽事永續，從無紙化、無塑化，到低碳交通和再生材料使用，全面落實環保理念。

Looking ahead, these international events could partner with sports celebrities and social media influencers to broaden digital marketing reach and attract younger audiences. Plans include enriching local cultural elements and integrating sustainability into core event planning to strengthen environmental credentials.

Cross-ministerial collaboration is recommended, including developing sports tourism packages with the Tourism Bureau, promoting sports education through the Ministry of Education, and implementing comprehensive environmental measures with the Ministry of Environment, from paperless operations to low-carbon transportation.

運動創新科技 ASPN 人才培育 Sports Innovation Technology: ASPN Talent Cultivation

以強化 APEC 運動政策網絡 (ASP)、推廣運動創新教育為目標，國立陽明交通大學產業加速暨專利開發策略中心 (IAPS)，今年整合日本、新加坡、澳洲與加拿大等 ASPN 會員國資源，籌辦多場運動趨勢交流會，並推出轉型聚焦亞太的人才培育計畫，打造鏈結產官學商的運動創新生態圈。

圓桌會議集 11 APEC 經濟體及 IAEH、ICG 等單位 共談運動創新

2月27日，「2024 ASPN 圓桌會議」邀請 11 個 APEC 會員經濟體、APEC 人力資源小組總監 Siti Harlena Harris Lee、國際賽會活動主辦單位協會 (IAEH) 會長 Perttu Pesä，以及國際少年運動會 (ICG) 委員 Lance Macdonald，共同探討運動創新發展與辦理國際賽事的最佳實例。

體育署 2016 年倡議成立 ASPN，每年舉辦 1 至 2 場國際會議。今年以「運動創新」為首要議題，探索各經濟體的運動創新政策與人才育成；體育署也分享革新的 ASPN 運動科技創新加速器，提供運動創新團隊長達 6 個月輔導課程與資源媒合，期許成果應用於國際賽事，促進升級。

會後亦安排 2025 雙北世壯運組委會拜會行程，並參觀 2024 年 ISU 世界青年花式滑冰錦標賽，讓外賓親身經驗臺灣辦理國際賽事的能量。

整合再躍進 ASPN 運動科技創新加速器全新一期成果發表會

6 年來已成功培育 25 國共 116 個創新團隊，協助募資逾 8 億台幣。期盼臺灣創新團隊致力將技術應用於臺灣國際賽事，立足臺灣，拓展國際，結合 ASPN 資源，共同建構健全的區域運動交流網絡。

Aiming to strengthen the ASPN (APEC Sports Policy Network) and promote sports innovation, the IAPS (Center of Industry Accelerator and Patent Strategy, NYCU) has collaborated with ASPN members from Japan, Singapore, Australia, and Canada and hosted multiple sports trend forums. Additionally, it has launched a talent cultivation program to build an innovative sports ecosystem connecting industry, government, academia, and businesses across the Asia-Pacific.

Roundtable Meeting with 11 APEC Economies, IAEH and ICG Discussing Sports Innovation

On February 27, the 2024 ASPN Roundtable Meeting invited representatives from 11 APEC member economies, APEC Human Resources Development Group Director Siti Harlena Harris Lee, IAEH (International Association of Event Hosts) President Perttu Pesä, and ICG (International Children's Games) committee member Lance Macdonald to discuss development of sports innovation and best practices in organization of international events.

The ASPN, established by the Sports Administration in 2016, hosts 1 to 2 international meetings annually. "Sports Innovation" is this year's

primary topic. The meeting focused on sports innovation policies and talent development across economies. The Sports Administration also shared the ASPN Sports Tech Accelerator, which provides six-month training courses and resource matchmaking for sports startups, aiming for the results to be applied to international events.

After the meeting, a visit was arranged for the World Masters Games 2025 Organizing Committee, along with a tour of the 2024 ISU World Junior Figure Skating Championships. This allowed international guests to experience firsthand Taiwan's capacity for organizing international events.

A Step Forward: ASPN Sports Tech Accelerator Whole New Batch Demo Day

On August 9, the ASPN Sports Tech Accelerator held its Batch 1 Demo Day in collaboration with the "2024 SETW International Forum." 15 startups, along with over 30 judges and experts from industry, government, and academia, hailing from countries such as the United States, New Zealand, and Indonesia, gathered to witness the teams' training results and gain insights into international sports innovations.

The event showcased a variety of standout products, including virtual reality sports experiences, innovative nutritional products, and novel underwater sports programs. Additionally, there were exchanges and experience-sharing sessions presented by organizations such as GSIC (Global Sports Innovation Center powered by Microsoft), Beyond4, and NSTDA (National Science and Technology Development Agency). These sessions not only revealed key factors behind startup success but also delved into the trends, development, and market culture of sports technology in the Asia-Pacific region.

Over the past 6 years, the program has successfully nurtured 116 innovative teams from 25 countries, raising over NT\$800 million in funding. It is hoped that Taiwan's startups will apply their technologies to international events held in Taiwan, establishing a strong foundation locally while expanding globally. By leveraging ASPN resources, the goal is to collaboratively build a robust regional network for sports exchange.
